Dear Jim,

The Town of South Padre Island would like to thank you for your many years of bringing Spring Breakers to the Island. We have heard great things about your organization and are impressed that you have represented the same fine properties each year which **further** attests to your superior work.

We understand that you have brought over 50,000 visitors here to date and look forward to many more successful years with Student Express. Please accept our thanks and best wishes for the future. One more thing.. don't forget to tell your guests that it is illegal to wear a tie on South Padre Island although I've never seen a Spring Breaker in one.

Sincerely,

Edmund K. Cyganiewicz
Mayor of South Padre Island
